FEBRERO-MARZO 2026

A woman with short, curly brown hair is standing in front of a large, abstract wall. The wall is composed of several panels with a grid-like texture. The left panel is a solid orange color, while the right panel is a mix of brown and orange. The woman is wearing a black turtleneck sweater, a black blazer, and black pants with a colorful, abstract pattern on the lower half. She is standing with her hands clasped in front of her.

A photograph showing a stone wall in the foreground, a paved path, and a building in the background. The wall is made of rough-hewn stones and runs horizontally across the middle of the frame. Behind the wall is a light-colored building with multiple windows. A paved path runs along the wall, and there are some trees and foliage in the foreground and background.
